# FROM THE PRESIDENT

Welcome to Spring! ASHRAE is ready for our annual golf outing to support Research and Promotion and Scholarship. This is a very important fund raiser for Dayton ASHRAE and as always we certainly appreciate your support.

Please make sure to sign up online because we need to confirm our final numbers in order for Heatherwood Golf Club to complete their planning. Final signup will be complete May 11th. Golf and Fun will be May 18th!

Register HERE: <http://daytonashraegolf2018.eventbrite.com/>

I recently observed our sister chapter's, ASHRAE Dublin Ireland, Board of Governor's Meeting via Skype video call. ASHRAE Ireland is an up and coming chapter and Dayton is serving as in an observation/mentorship role. Our goal is to help a young ASHRAE Chapter develop their processes and increase their membership. We discussed chapter operations, fund raising, and meeting planning. ASHRAE Ireland is very interested on how we do business in Dayton and we certainly want to expand our relationship in the future. Currently we are planning a joint Chapter meeting for next fall. We also are going to exchange contact info from each board member so individuals can talk in more detail about chapter operations.

Thanks for a great year Dayton ASHRAE, lets finish strong with a tremendous golf outing! Lets keep Dayton ASHRAE great!

*Rob Mauro* — President Dayton ASHRAE

# ASHRAE NEWS

## Eight Successful Day on the Hill Events Held in 2018

Day on the Hill, ASHRAE's public policy briefing and advocacy day, has been held in eight locations so far this calendar year. Georgia, Indiana, New Mexico, Ohio, Oklahoma, Puerto Rico, South Carolina and Virginia have had delegations of ASHRAE volunteers converge on legislatures equipped with materials to share with elected officials about who ASHRAE is, what the Society does and how ASHRAE can assist with legislative and policy development. These events have also become a significant way multiple Chapters in a state or jurisdiction can come together in a collaborative effort. Chapters that have organized these over several years are finding that many of the legislators are beginning to recognize ASHRAE member faces but, more importantly, beginning to remember ASHRAE.

Additional Day on the Hill events will be held this year, with upcoming legislative visits scheduled in California, Michigan, New York, North Carolina, Pennsylvania, and the Canadian Parliament in Ottawa plus several more that do not yet have dates. As this program continues to grow, the Society recognizes that ASHRAE volunteers across the United States and beyond can make a difference in legislative and policy development. Chapter members report that legislative inquiries are being sent their way as legislators look to ASHRAE's technical expertise for guidance when bills are introduced that impact our industry. The Grassroots Government Advocacy Committee continues to promote the expansion of this successful program at the Federal level, in U.S. Congressional offices in their home districts. To find out how your Chapter can participate, contact [GovAffairs@ashrae.org](mailto:GovAffairs@ashrae.org).
