FROM THE PRESIDENT

Thank you to all who attended lunch meeting in February. It was a great event and Devin put on a fantastic, engaging presentation on ethics. It's a very important topic in our industry and he shined a light on just one component to protecting ourselves, our company, and our industry.

It is with great pleasure that we also announce the 2019 ASHRAE Scholarship Winners. They are as follows:

- Michael Zelinski: Keller Memorial Scholarship, \$1500, UD Mechanical Engineering
- Nicholas Koch: Rapiere Commemorative Scholarship, \$1000, UD Mechanical Engineering
- Eli Bates: Dayton Chapter Scholarship, \$1000, SCC Engineering Transfer to WSU, Mechanical Engineering

Additionally, we have two very exciting meetings and meeting venues coming up in the next two months. Our March meeting is a joint meeting with AIA Dayton at Aileron in Tipp City and our April meeting is a special meeting in which the ASHRAE Society President will be presenting at the Helix Innovation Center on Campus at the University of Dayton. Following that will be the Golf Outing in May. We hope to see you at each opportunity!

Bryan W. Schenck — President Dayton ASHRAE

The HVAC Industry gives us all our livelihood. ASHRAE's research and educational programs are what keeps our industry and professions on the leading edge and assures its continued existence.

Confident that you will recognize the benefits of this investment, we are asking you to help fund future HVAC&R research and development by donating this year.

Thanks so much for your help in advance!

ASHRAE News

ASHRAE President Provides Written Testimony to Florida Building Commission

ASHRAE President Sheila J. Hayter provided written testimony to the Florida Building Commission (FBC), which is considering updates to the statewide energy code. President Hayter urged the FBC to incorporate by reference the most recent version of ANSI/ASHRAE/IES Standard 90.1, *Energy Standard for Buildings Except Low-Rise Residential Buildings*, which is the 2016 version, including all of its appendices as a compliance path for that state.
