FROM THE PRESIDENT

Thank you to all who attended the April meeting at the Helix Innovation Center. A very big thank you also goes out to Emerson Climate Technologies for the hosting the event at such a wonderful location.

Thanks also to Heapy for hosting the ASHRAE Webcast on April 18th. There was a good turnout and a lot of good information on refrigerants.

Our annual golf scramble is coming very quickly and registration and sponsorship opportunities are still available to those who would like to join. Please see the Eventbrite link on Page 1 of this Newsletter to register a team for the event or provide as a sponsor of the event.

Additionally, we have an opportunity within the state to assist in Government Outreach later this month. On May 24th in Columbus, we are looking for an additional person to join Paul Hawkins at the statehouse to share information about ASHRAE and how its members can provide expertise on the built environment and serve as a resource for legislation and policy development. Please contact Paul (Paul.Hawkins@waibelenergysystems.com) if you're interested in joining.

Bryan W. Schenck — President Dayton ASHRAE
