FROM THE PRESIDENT

A big Thank you to Trane, P2P, Solid Blend and all of our hole sponsorships! Of course I want to thank all of you for coming out for the Annual Dayton ASHRAE Golf Outing. A Big thank you to Brian Turner and Matt Dill for taking this event over and setting it up. I hope everyone enjoyed themselves.

We are still looking for someone to Help out with YEA (Young Engineers association), and Refrigeration Chair. Feel free to reach to anyone on the Board if you are interested.

I want to take this moment as my last month as your Chapter President to Thank you for letting me lead you this term. I hope that everyone has enjoyed all the events and meetings that we have had this Term. None of this would be possible without all the other chair's and officers for the Dayton ASHRAE Board. We have a really great team set up and I appreciate each and every one of you.

Warm Regards,
Jennifer Eller
