## Board of Governors

### **JEREMY FAUBER** Heapy Engineering

### **RICK PAVLAK** Heapy Engineering

### **LARRAINE KAPKA** Sinclair College

## **A Note from the President:**

I would like to congratulate the students of Sinclair Community College and our Student Activities Chair Russ Marcks for being awarded a grant project from Society for Chiller Control Training Boards. It was one of the top 2 applications in all of Society for this year, and the students will be presenting at the winter meeting this January in Las Vegas.

This month on Friday, September 16th at 3 PM, we will be having our 2nd annual ASHRAE Scholarship Bocce Tournament at Bella Villa Hall in Kettering. I can personally attest from last year that this is a fun event. There are 6 bocce courts, food will be provided, and there is a small playground on site, so families are welcome. It is \$100 per team and I encourage you all to sign up. Contact Rob Mauro if you need more information. We need to take the championship back from the architects! See you at the Bocce Tournament!

*Nathan Lammers*—President, Dayton ASHRAE

## **A Special Thank You:**

Special thanks goes out to EAP, Inc for donating \$500 to the Dayton ASHRAE scholarship fund! Over the last several years, Dayton ASHRAE Chapter has worked hard to develop and further the Scholarship Program and Fund for local HVAC&R students. Last year, the chapter provided three local students with scholarships to further their educational studies. This donation will significantly effect a local student and their endeavors in the HVAC&R industry.

**The leadership team- Board of Governors - is leading the way again this year with donations to date of**

# \$6003.00

**which is 35% of our goal.**

## 2016-2017 ASHRAE RESEARCH PROMOTION

### Dayton, OH ASHRAE

2015-2016 saw ASHRAE continue its leadership in developing standards and guidance for the design, operation and maintenance of healthy, energy efficient buildings.

Funds to accomplish this research are received from members and companies active in the industry. Once again the Dayton Chapter was among the leaders in Region V, submitting a new high of \$16,482. This year's Goal is \$16,920.

The HVAC Industry gives us all our livelihood. ASHRAE's research and educational programs are what keeps our industry and professions on the leading edge and assures its continued existence. Confident that you will recognize the benefits of this investment, we are asking you to help fund future HVAC&R research and development by donating this year. Thanks so much for your help in advance!

**Together we can all make a difference!**

## Save the Date—STEM Opportunity

### Friday, October 7th

Volunteer opportunity for Pre-K through 6th grade student outreach. Volunteers are needed with multiple skills to help students with a garden construction project at Horace Mann Elementary School in Dayton.

Horace Mann Elementary School partners with STEM educators from Wright State University who help teachers at the school incorporate the garden into their curriculum at all ages/levels.

Volunteer at the link below

[Dayton Green Apple Day of Service STEM](#)

Or by emailing Nadja Turek @
